FOR YOUR INFORMATION by Mayor Mike Callahan

Can locusts be next? The month of September certainly packed a few surprises. During September, Cheverly experienced Hurricane Irene, an earthquake measuring 5.8 and almost 9 inches of rain. I suspect that has never happened before. The good news is that the Cheverly Police and Public Works Departments once again performed admirably during these events. Special thanks to them for all the work they do to keep our Town running.

Let Cheverly plant a FREE TREE in your yard: Did you know that Cheverly will plant a tree in your front or back yard for free? It's true!! All you have to do is call Public Works (301) 773-2666, select the type of tree and the location in your yard and the Town does the rest. We'll arrange for the tree to be planted... you simply have to add the tender loving care.

Green Infrastructure Plan: The Town Council unanimously passed a resolution adopting the Green Infrastructure Plan during their September 8th meeting. As a first step in adopting the recommendations of the Green Plan, the Council will consider a resolution to join the Baltimore Washington Partners for Forest Stewardship at the September 22nd meeting. The BWPFS is an organization consisting of Fort Meade, Maryland Dept of Natural Resources, Beltsville Agricultural Center and others for the express purpose of preserving our natural areas.

Town Offices Closed

No Trash Pickup

We also look forward to a kick-off of the Green Infrastructure Plan in tandem with the November 19th Community Market. While the kick-off is not yet finalized we hope to have demonstrations highlighting how residents can help make the Green Infrastructure Plan come to life. We will have Shred-It in the Community Center parking lot from 9 to noon to shred your cancelled checks, tax returns and other documents on site. Limit 3 boxes per household. All will be recycled to make new paper products.

New Speed Cameras require minor Parking Code changes:

As discussed in the September Newsletter the town has changed its speed camera vendor and the equipment has changed as well. Gone are the familiar skeleton arms that were seen near Legion Park, now we have the small silver boxes that I'm sure you've all seen. Since these boxes are lower to the ground the Town Council is considering changes to the Town Code that will allow the Town Administrator to declare temporary no parking zones for up to 150 days. The Town Administrator already has this authority for up to 30 days.

Odds and Ends: This month seems a little slow regarding neighborhood news, so here are some brief updates and shout outs on items of interest:

Aldi Opening: Aldi recently announced it was moving its opening date back to November 17th. Apparently they encountered 15 extra inches of concrete in the floor of the old Giant building causing the construction delay.

Garden Club: Thanks for the donation of the new bench in Town Park. Cheverly is very lucky to have such an active organization here in town.

Road Projects: Plans continue for the repaving of Bellevue Avenue (3200 block thru 3600 block) and 63rd Ave from 3100 block to 3400 block. We hope for the conclusion of these efforts in October.

Community Yard Sale: A special Thank You goes to Patty King who organized a community yard sale on September 17th. Patty worked with the Public Works Department to close Greenleaf Ave from Forest Ave to Crest Ave so that residents could use the island to hold a giant yard sale.

58th Place Homes: There are three abandoned homes on 58th Place, bordering the B-W Parkway, that are owned by the National Park Service. Cheverly has been working with NPS for over 2 years to have the homes removed. We were recently informed that the NPS is working through the final stages of the process to have the homes removed. Unfortunately, as of yet there is no expected date for completion.

SHRED-IT EVENT

November 19th - 9am to Noon in the Community Center parking lot. Each household is allowed 3 boxes of documents to be shred on site.
PAPER ONLY.

C-PACT/CHEVERLY WATCH RESIDENT RADIO PROGRAM MEETING –

There will be a joint meeting of C-PACT (Cheverly – Citizens and Police Together), Cheverly's Neighborhood Watch Organization, and the Cheverly Watch Resident Radio Program on Wednesday, October 12, 2011, at 7:00 PM, in the Police Department Conference Room.

UNIFORM CRIME REPORTING (UCR) DATA IS OUT FOR 2010 –

The State of Maryland just released UCR data for crime in Maryland for 2010. Overall, crime dropped approximately 5% across the State with a specific decrease in violent crime of 6%. This reduction in crime was also observed in Prince George's County, where reported crimes dropped 3.8%. In an extension of this good news, the Town of Cheverly also enjoyed a 5.4% reduction in its crime rate. This reduction highlights a 5 year downward spiral in reported crime in Cheverly. Of the 27 municipalities in Prince George's County, in addition to crimes reported at the University of Maryland, Cheverly had the 5th lowest crime rate (victims per 100,000 population). The lowest was reported in Eagle Harbor, a very small town on the Southern tip of the County along the Patuxent River, with 1 criminal incident (a B&E).

ACCIDENT DATA FOR 2010 – Drivers in Prince George's County (13,013 accidents) experienced the 2nd highest accident total for the State of Maryland behind Baltimore City (19,060 accidents). Of these accidents, approximately 1/3 resulted in personal injury and the County led the State in the number of fatalities (92). In addition, the County had the 3rd highest total of pedestrian accidents behind Montgomery and Baltimore Counties respectively. All told, there were 90,517 traffic accidents in Maryland in 2010 that resulted in the deaths of 496 persons.

NEW PRESCRIPTION DROP BOX AT THE STATION –

The Department recently obtained a grant from the National Association of Drug Diversion Investigators (NADDI) for a prescription drug drop off box that is now located in the station lobby. All Cheverly residents are encouraged to drop off their expired prescription drugs for free disposal rather than depositing these items in regular trash or flushing unwanted drugs down a toilet. Not only does this service improve our environment, it deters unwanted narcotics and other drugs from falling into the hands of persons for which these drugs were not prescribed. Residents who wish to drop off expired prescription drugs, unused pharmaceuticals, or over the counter medications, may do so anonymously (no requests for identification will be made) during office hours (M-F, 9:00 AM to 5:00 PM) in the metal drop off box. Please make sure that any personal information (name, address, etc.) is

Chief's Message cont'd

blocked out on any prescription container and that the lids on all liquids are tightly closed. No intra-venous solutions, injectibles, syringes, or illicit substances will be accepted. The next major pick up date by our destruction contractor is October 29, 2011.

In order to bring customers these new features, all Comcast video services will be transmitted exclusively in digital format on or after Oct. 18. This means that customers will need to have a digital set-top box or digital adapter from Comcast, or a third party device with a CableCARD™ for each television on which they wish to continue receiving Comcast video services.

Comcast customers may call us toll-free at 1-877-634-4434, go on-line at www.comcast.com/digitalnow, or visit a Comcast Service center to determine the best solution for their home.

LEAF COLLECTION PROCEDURES

Vacuum Leaves: Every street in Cheverly is scheduled for at least 2 vacuuming sweeps.

Rake leaves between the curb and sidewalk - not on the street or sidewalk.

- Keep leaves free of twigs, branches, metal, concrete and other debris that can jam or damage the equipment.
- Please do not park cars on the street on the assigned collection day.
- **ONLY PUT LEAVES AT CURB 1 DAY PRIOR TO YOUR VACUUM DATE.** Consider your neighbors when the wind blows your leaves into their freshly raked yard.

Bag Leaves: Yard waste is collected on **MONDAYS**. Put bags at the curb on Sunday evening.

Use **CLEAR PLASTIC BAGS** (sold at Town Hall or Public Works \$5 for 50 bags). Yard waste includes leaves, grass, brush, twigs, etc. Do not put any dirt, rocks, or other trash/debris in these bags.

If you have any questions, please call Public Works at 301-773-2666.

FARMERS MARKET - Autumn and Farm Markets seem to go hand in hand. Our Cheverly Community Market vendors in October will be presenting their freshest crops of the season. October is a good time to begin making those slow cooker meals that make the house smell so delicious and tummies so satisfied – with lots of leftovers.

Waltz Family Farm can supply your favorite stew meat; Schlagel Farms will have a plentiful selection of vegetables, while Cheverly Bread Basket continues to delight with their crispy varieties of bread. Don't forget the fruit from Benny's Market and Pong's Orchard for those fragrant pies.

Our October vintners will be Boordy Vineyards on October 8 and Running Hare Vineyard on October 22nd. Did you know that Boordy Vineyards, now in its 65th year, hosts Wine Festivals each Sunday in October? Running Hare Vineyard, in Prince Frederick also hosts wine tastings Wednesday-Sunday, Noon to 6:00 pm. They suggest you bring a picnic lunch to enjoy in the vineyard while sipping your favorite wine for a \$ 5.00 Tasting Fee. Looking for a taste of Jamaica? Cakes by Ruthann have brought the taste of the islands to the market. You must arrive early to a chance to buy a rum cake! It's not too early to think about Holiday gift giving, so we are pleased to welcome a new vendor, Studio 617. They use recycled metal to fashion whimsical yard art and address signs, among other products. Visit them at studio617.com for a preview.

We have far too many vendors to mention, check out our Blog Page for updates. Come on out to the Market, catch up with your neighbors and friends and enjoy the special feeling that is Cheverly.

Local Crafter or Artist? We are looking for additional vendors with gift items to sell at our Thanksgiving Market on November 19. Watch our website for an application. Once again the **Woman's Club** and Little Friends for Peace would like to thank the folks at American Legion Post #108 for their generous assistance and ongoing commitment to our Cheverly Summer Peace Camp. We're already beginning to plan for Peace Camp 2012 and hope the Legion will continue this partnership. Our work has begun to raise funds to enable youngsters to come to peace camp even if their families can't pay the tuition.

1) We're asking individuals/groups/organizations to contribute \$150 during the year for 1 tuition in order to become a co-sponsor. So far the Woman's Club and Progressive Cheverly are committed. In addition, we're including the Legion as a co-sponsor because they've allowed us to use their wonderful facility for the past 2 years for a donation.

2) In addition, we're asking residents of all ages and families to save change and small bills to make ongoing donations throughout the year. Watch for us at local events and keep up by reading this article every month.

You can contribute cash or write a tax deductible check to Little Friends for Peace (LFFP). For questions and to deliver donations, call or email - Joyce Lang, 773-2211, joycelang@verizon.net.

If you're a teen and would like to help, you can contact Samantha Lyons, our teen coordinator, at juliet_capulet315@yahoo.com. If you're a child or tween, you can contact Sami Popol, our children's/tween coordinator, at sami75@verizon.net. These young ladies are looking for ideas.

We thank you in advance for your help!

Here's what the **Gladys Noon Spellman** Elementary School PTA is up to....

All are invited to our very first PTA meeting of the year! The meeting will be Tuesday, October 4 from 6:30-8:00pm in the school's Multipurpose Room. If you have a child at GNS -- or even if you don't -- come and hear what the PTA has planned for the 2011-2012 school year, and learn simple ways to get involved with your neighborhood school. Plus, special guest speaker Liz Ahmann will discuss homework and organizational strategies to help you and your child start the school year off right!

On Friday, October 7, join us for International Walk and Bike to School Day! Gladys Noon Spellman, St. Ambrose, and Judith P. Hoyer will join schools all across the globe in celebrating the health, safety, and fun benefits of walking and bicycling to school. Skateboard, scooter, walk, or bike on over to Legion Park, where we'll be gathering starting at 8:00am.

We are also planning a fun-filled Fall Harvest Festival on Saturday, October 29 from 2:00-5:00pm at the school. There will be fun and games, food, face painting, prizes, and more. The entire Cheverly community is invited, so bring your family!

The GNS PTA is seeking partnerships with stores and restaurants to help us meet our goal of providing free dinner at PTA meetings, as well as food and other items for PTA-hosted events. Big thanks to ALDI for already making a donation! If you are a business owner, or if you work for a business that might want to partner with the GNS PTA, contact GNS PTA Co-Vice President Jen Eldridge at jalleneldridge@yahoo.com or 240-271-9737.

We need volunteers for our new Library Corps, which will help to alleviate the loss of our full-time media specialist due to county budget cuts. We're looking for volunteers who can commit to working in the GNS library at least two hours one Tuesday per month between the hours of 9:00am and 3:00pm. We'll provide the training and coordinate the schedule. This is an easy and fun way to make a really big difference for the students at your neighborhood elementary school. Interested? Contact GNS PTA President Aimee Olivo at aimeeolivo@gmail.com or 202-210-0380.

Vine Corps "Many thanks to all the high-school youth (more than 40) and adult volunteers (more than 30 donors of time and money) who participated in Vine Corps' inaugural summer! Our schedule included weekly open-gym sessions, community-building activities and planning meetings; community service with Meals on Wheels, Anacostia Watershed Society, Little Friends for Peace, Cheverly Community Market, and the new Cheverly Robotics Club; and outings such as laser tag and boating and tubing on the Chesapeake. Upcoming activities include the following Friday evening events: Open Gym at the Community Center on Oct. 7 and Nov. 4, Ladies' Nights on Oct. 14 and Nov. 11, and a Haunted Halloween outing on Oct. 21. What's more, we are currently seeking space to host weekly study halls with volunteer homework-help tutors, and will begin as soon as we secure a location through the school year. Personally-tailored educational support -- as well as community service and good, adventurous fun -- is central to our mission! Check out the Vine Corps Facebook page for more information and updates. Contact Chris Dwyer at [301-602-4315](tel:301-602-4315) or chris.r.dwyer@gmail.com."

The Cheverly History Club will meet on Tuesday, October 4th at 7:30 PM in the Cheverly Community Center. We will be working on the town archives and Cheverly's historical documents. New members and new ideas are welcome.
